HOUSE BILL NO. 6922

Introduced by Honorable Roger Gaviola Mercado

EXPLANATORY NOTE

Barangay Basak in Maasin City, Southern Leyte is a village that sits in the middle of an agriculture uplands. Its economic activity merely hinges on the agricultural aspects of its surrounding villages. The absence of a technical educational institution has limited the technical knowhow of its residents and has become a drag in its development.

The creation of a technical and vocational high school in the aforesaid barangay could hopefully improve the technical capabilities of its residents which in the long term could also improve their economy.

In view of the foregoing, passage of this bill is hereby being earnestly sought.
