HOUSE BILL NO. 68

Introduced by REP. ANTHONY G. DEL ROSARIO

EXPLANATORY NOTE

This bill seeks to convert the 21.96-kilometer Tagum City – Sto. Tomas Road in the Province of Davao del Norte into a National Road.

Traversing the First and Second Districts of the Province, the said road network connects Tagum City to the municipalities of Braulio E. Dujali and Sto. Tomas. It serves as main thoroughfare to transport the goods of farming communities of surrounding barangays. While considered as vital infrastructure link, the road badly needs immediate repair. Thus, converting it into a national road is seen as the only viable solution to guaranty necessary funds for its maintenance and expansion so as the promote the socio-economic development in the area.

In view of the foregoing, approval of this bill is earnestly sought.
