HOUSE BILL NO. 72

Introduced by REP. ANTHONY G. DEL ROSARIO

EXPLANATORY NOTE

The Philippine Charity Sweepstakes Office (PCSO) was created by virtue of Act No. 4130 in 1935 to institutionalize sweepstakes as a venture to raise funds for public health and general welfare. In 1954, Republic Act No. 1169 was enacted providing for PCSO Charter thereby strengthening its mandate.

The PCSO Charter was amended by Batas Blg. 42 which raised the fund allocation for the agency's Charity Fund from the previous 25% of net sales to 30%, while 55% now went to prizes and the remaining 15% for operations. All unclaimed prizes also go to Charity Fund. Further, Presidential Decree No. 1157 increases the tax rates on winnings in jai-alai and horse-racing and the share of the Government from the sweepstakes total Prize Fund.

The Charity Fund has been subject of recent controversies due to its alleged misuse by the PCSO board of directors who have discretionary powers on the disbursement of said fund. The PCSO Charter does not provide clear institutionalize criteria in the disposition of fund thus making it prone to abuse and promotion of patronage politics.

This bill warrants a just and equitable distribution of this Government's money grounded on the needs of people. It is proposed that the Charity Fund be earmarked for the National Health Insurance Program administered by PhilHealth to ensure the achievement of universal health insurance coverage in line with the Aquino Health Agenda. It is putting the money into where it is most needed and useful.

Under the bill, the Charity Fund shall no longer be channelled through hospital beneficiaries. Instead it shall be used as contributions to PhilHealth forming part of special purpose fund for the counterpart shares of the National Government and Local Government, to be included in the General Appropriations Act.

While making health care more accessible to the indigents through PhilHealth, the bill also ensures transparency in the utilization of the monetary resources and provides necessary safeguards against corruption specifically in the PCSO.

In view of the foregoing, approval of the bill is earnestly sought.
