House Bill No. 250

Introduced by
ACT TEACHERS Party-List Representative Antonio L. Tinio

EXPLANATORY NOTE

The Personnel Economic Relief Allowance (PERA) was first granted to government employees in 1991, in the amount of P500 per month. Joint Resolution 4, issued by the House of Representatives and the Senate on 17 June 2009, mandated that the P1,500 Additional Compensation and the P500 PERA, with a combined total of P2,000, shall thenceforth be collectively referred to as PERA.

The PERA is granted monthly to all public sector employees, whether paid on salary, wage, or base pay basis, across all agencies. This benefit is considered as a supplement to the basic compensation of government employees due to the rising cost of living.

An increase in the PERA will offer government personnel more substantial relief from the erosion of purchasing power of public sector salaries and wages. For this purpose, this bill proposes that the PERA be increased to P4,000.

Approval of this bill is earnestly sought.
