HOUSE BILL NO. 285

Introduced by Representative Florencio T. Flores, Jr.

EXPLANATORY NOTE

This Bill seeks the separation of Silae National High School – St. Peter Annex (SNHS-St. Peter Annex) from Silae National High School and the conversion of the said Annex into an independent national high school recognized as St. Peter National High School, a separate and distinct entity in the National Budget.

The SNHS-St. Peter Annex, as an extension of Silae National High School, has been in existence and operation for nine (9) school years (SYs) now. The present student population is rapidly increasing every year as the school records shows, hence the need for more teachers and full time administrator to closely oversee the school's programs and activities.

Silae National High School cannot accommodate all that is necessary through its budget coming from the National Government. Even with the assistance from the Local Government, personnel and finances are still inadequate to accommodate the needs of the said annex. And this being situated in a mountainous municipality the need to become an independent national high school is pressing. Hence, the separation and conversion of the Silae National High School – St. Peter Annex is sought.

The separation and conversion of Silae National High School – St. Peter Annex will ensure convenience, opportunity and conducive environment to the youth of Barangay St. Peter and other nearby barangays to a proper and quality education.
