AN ACT STRENGTHENING FURTHER THE ORGANIC ACT FOR THE AUTONOMOUS REGION IN MUSLIM MINDANAO, AMENDING FOR THE PURPOSE REPUBLIC ACT NO. 9054 "AN ACT TO STRENGTHEN AND EXPAND ORGANIC ACT FOR THE AUTONOMOUS REGION IN MUSLIM MINDANAO, AMENDING FOR THE PURPOSE REPUBLIC ACT NO. 6734, ENTITLED 'AN ACT PROVIDING FOR THE AUTONOMOUS REGION IN MUSLIM MINDANAO', AS AMENDED" AND FOR OTHER PURPOSES

EXPLANATORY NOTE

Republic Act No. 9054 which strengthened and expanded the Organic Act for the Autonomous Region in Muslim Mindanao (ARMM) was passed in 2001 to address substantial gaps of Republic Act No. 6734 otherwise known as the "Organic Act for the Autonomous Region in Muslim Mindanao". RA 9054 was yet another step to strengthen the ARMM as a means to bring about sustainable social and economic development in the area within the overall context of attaining long-term peace in the southern part of the country.

The armed conflict in the area between government troops and the Muslim rebels adversely affected the area and its population. Economic growth has been stunted in the otherwise mineral-rich and agriculture-fertile region. In fact, according to the United States Development Programme, seven (7) out of ten (10) provinces of ARMM ranked worst on the country's human development ratings.

The government has always regarded the resolution of the armed conflict in Mindanao as a major priority. Over the decades, there had been a growing appreciation of the complex issues and concerns in the area. Every administration has endeavoured to resolve the Mindanao conflict by engaging Muslim rebels to a peace negotiation with varying levels of success.

Admittedly, much is left to be done to bring about sustainable development in Mindanao. While the executive branch continue to look for political solutions, it is imperative for the legislative branch to pass responsive laws to improve the administration and governance in the region.

This is the compelling interest that calls for the review of Republic Act 9054. There is a need to amend its provisions to make them more responsive and relevant to prevailing needs and conditions in the area. The passage of this legislative measure is a critical component to usher in a new era of change and development in Muslim Mindanao.
