

SIXTEENTH CONGRESS OF THE REPUBLIC)
OF THE PHILIPPINES)
SECOND REGULAR SESSION)

HOUSE
H. NO. 323

Introduced by Rep. Joseller "Yeng" M. Guiao

EXPLANATORY NOTE

This bill was originally filed by Pampanga 3rd District Representative Aurelio Gonzales, Jr. in the past Congress. I have asked his permission to file this because I believe in what the bill represents and stands for.

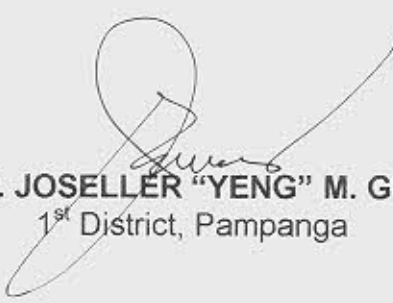

Public school teachers play a very important role in our country's educational system. They are the backbones of our free public education in the elementary and high school levels and it is through their selfless dedication and commitment that the said system continues to stand.

While there are measures to further improve their social and economic status as well as their living and working conditions, it is this representation's belief that so much more can be done to give due recognition to our heroes of education.

One very significant act that the State can give as tribute to our public teachers, both retired and in active service, is to allow the Flag to be flown in half-mast on the DepEd school and district office where a deceased public school teacher was teaching or was assigned to.

Section 23 of RA 8491, otherwise known as Heraldic Code of the Philippines, allows the flag to be flown at half-mast as a sign of mourning on the day of official announcement of the death of high government official. Doing the same for our public school teachers, who dedicate their lives in the service of education, is not only fitting but shows our country's respect and admiration for our mentors.

In view of the foregoing, the immediate approval of this measure is hereby requested.

REP. JOSELLER "YENG" M. GUIAO
1st District, Pampanga
