SIXTEENTH CONGRESS

First Regular Session

House Bill No. **383**

Introduced by Representative Guillermo A. Romarate, Jr.

EXPLANATORY NOTE

This Bill seeks to convert into a national road the Ipil, Surigao City-San Francisco-Malimono-Mainit Provincial Road which traverse some barangays of Surigao City and the municipalities of San Francisco, Malimono and Mainit, all in Surigao del Norte.

The conversion of this road into a national road will ensure adequate funding for its improvement, maintenance and repair. With an all-weather national road, the linked municipalities will be opened to faster development and the mobility of people and of goods will be greatly improved. Farmers and traders in the rural areas traversed by the road will have access to more and bigger markets for their produce and commodities, with transportation cost reduced to a minimum. On the other hand, businessmen from Surigao City and from the three linked municipalities will be benefited by the upgrading of this road as it will enable them to easily reach and do business in the rural areas.

Approval of this Bill is, therefore, urgently recommended.
