SIXTEENTH CONGRESS

First Regular Session

House Bill No. 509

Introduced by **Hon. Rodolfo G. Biazon**

EXPLANATORY NOTE

This bill seeks to establish the Tunasan National High School in the City of Muntinlupa. Its establishment will accommodate the rapid population growth in the area and its surrounding environs.

Specifically, there is a need to establish the Tunasan National High School for the following reasons:

1. It will cater to the graduates from the Tunasan Elementary School and Putatan Elementary School as well as neighboring private elementary schools within the barangay;
2. It will provide wider avenues for administrators, faculty, staff, students, parents and the community for innovations and development that would hopefully improve the division performance in terms of participation and achievement rates; and
3. It will decongest the class size of Muntinlupa National High School which has an enrollment of around 9,000 students.

Due to the foregoing, passage of this bill is earnestly sought.
