First Regular Session

House Bill No. 512

Introduced by **Hon. Rodolfo G. Biazon**

EXPLANATORY NOTE

This bill seeks to separate Muntinlupa Business High School – Annex from Muntinlupa Business High School and convert it into an independent national high school to be known as Sucat National High School.

There are two (2) school districts in the City of Muntinlupa. The first district covers the Barangays of Bayanan, Putatan, Poblacion and Tunasan while the second district covers Barangays Sucat, Buli, Cupang, Alabang and Ayala Alabang.

Presently, there are three public high schools catering to the needs of students in the second district – Muntinlupa Business High School located in Barangay Buli, Muntinlupa Business High School – Annex in Barangay Sucat, and Pedro E. Diaz High School located at the boundary of Barangays Alabang and Bayanan. However, the curriculum of Muntinlupa Business High School is geared towards technological-vocational education and therefore caters more to students who want to pursue a career in this field. Only Pedro E. Diaz High School and Muntinlupa Business High School – Annex offer general curriculum for high school students.

In order to give Muntinlupa Business High School – Annex more leeway or elbow room to improve its services, there is a need to separate it from Muntinlupa Business High School and establish it as an independent national high school. In this manner, it will have its own resources that are separate from Muntinlupa Business High School that it can work on to plan how it can best serve, and cater to, the needs of thousands of children living in the relocation site.

Due to the foregoing, passage of this bill is earnestly sought.
