Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

First Regular Session
SIXTEENTH CONGRESS

House Bill No. 580

Introduced by Rep. Maria Carmen S. Zamora and Rep. Rommel C. Amatong

EXPLANATORY NOTE

The upgrading of a provincial road to a national thoroughfare usually ensures its regular rehabilitation and repair as the same will be programmed and undertaken by the Department of Public Works and Highways and included under the annual General Appropriations Act. Such development will provide the commuting public and other users of the road safe and convenient passage.

In Compostela Valley Province, the Canidkid-Mayaon-Kaligutan-Laak provincial road traverses the municipalities of Montevista and Laak, and links the province to the neighboring provinces of Davao del Norte and Agusan del Sur. In consideration of the same, it was deemed by the concerned local government councils that the same stretch of highway be converted into a national road. This upgrade, they say, will also take care of the road's upkeep and maintenance.

In view of the foregoing, this bill was jointly filed by the undersigned for favorable consideration.
