Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

First Regular Session
SIXTEENTH CONGRESS

House Bill No. 584

Introduced by Rep. Maria Carmen S. Zamora

EXPLANATORY NOTE

In Municipal Resolution No. 2011-2041, the Sangguniang Bayan of Compostela, Compostela Valley Province expressed the sense of the local government unit to have the Montevista-Mati National Highway traversing the municipalities of Compostela, New Bataan and Maragusan in Compostela Valley Province renamed into the Corazon C. Aquino National Highway. This is consistent with their desire to honor the former President of the Republic whose role and involvement in nation-building and dedication to public service greatly affected our people. If favorably passed into law, this proposal will not only remind those using the national highway of the noble deeds of the late President but will likewise inspire them to emulate her example of selfless service to the nation.

In view of the foregoing, approval of this bill is earnestly requested.

MARIA CARMEN S. ZAMORA
