House Bill No. 661

EXPLANATORY NOTE

Local Roads are pivotal in the development of a province. They play an indispensable role in the transport of persons, goods and services not only within its center but also to its adjoining areas. Major growth in tourism and commerce is highly attributed to good road conditions. Also, they help facilitate travel which is equally important in communication.

The Junction Lictin-Palawig-Mamangal-Balite-Batag-Marilima-Magnesia-Labanay-Talisoy-Igang-Antipolo-Pajo-Palnab-Gogon road in the province of Catanduanes is a provincial road that continues to serve its purpose in the socio-economic development of the province. This road connects the municipalities of San Andres and Virac. It passes along coastal areas with white sand beaches where tourism is flourishing. However, due to inadequate funds, the provincial government is unable to allocate for its upgrading, rehabilitation and maintenance.

The need to convert this provincial road into a national road to ensure its unhampered accessibility for the betterment of the province of Catanduanes as envisioned in this bill is earnestly sought.
