HOUSE BILL NO. 693

Introduced by : **Honorable George P. Arnaiz**

EXPLANATORY NOTE

This bill seeks to convert the provincial road, which stretches from Barangays Paniabonan and Luyang of the Municipality of Mabinay to Barangays Cabcaban, Nalundan, Atotes, Bulod and Poblacion of the Municipality of Bindoy in the Province of Oriental Negros, into a National Road.

This provincial road network, which is connected to the nearest national highway, is essential to the growth and development not only of the said local government units but also to the entire province. However, due to some urgent needs which require immediate funding as they will hamper the delivery of basic services to our people, the maintenance and improvement of this vital infrastructure project has not been given top priority. This situation therefore calls for the turn-over of this road to the national government by way of converting this provincial road into a national road for the great benefit of the traveling public.

In view of the foregoing reasons, the approval of this bill is earnestly sought.
