HOUSE BILL NO. **748**

Introduced by Honorable Danilo Ramon S. Fernandez

EXPLANATORY NOTE

This bill seeks to convert the GSIS-Sampaguita Road in Barangay Calendola in the City of San Pedro, Province of Laguna, into a national road and appropriate funds for the maintenance and improvement thereof.

The GSIS-Sampaguita Road traverses three barangays namely Calendola, Riverside and Narra in the City of San Pedro, Province of Laguna. It provides access to different points in the community and serves as a viable link for trade and development, education, health, agriculture, energy and tourism.

Over the years, the GSIS-Sampaguita Road has deteriorated and now needs re-surfacing, re-alignment and installation of drainage structures. By converting it into a national road, the Department of Public Works and Highways can include it in its road maintenance and repair programs with funds from the national government. Thus, reconstruction and improvement could be properly undertaken.

In view of the foregoing, approval of this bill is highly recommended.
