HOUSE BILL NO. **752**

Introduced by Honorable Danilo Ramon S. Fernandez

EXPLANATORY NOTE

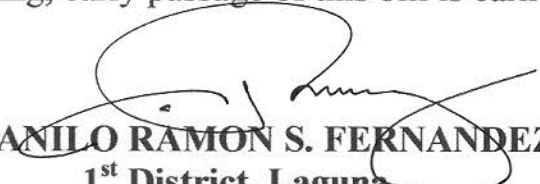

This bill seeks to convert the provincial road connecting the Barangays Mamplasan through Barangay Ganado, in the City of Biñan and Barangay Macabling in the City of Sta. Rosa, in the Province of Laguna into a national road.

Roads serve as a linkage between barangays and provide access to the various establishments and amenities located therein. The road subject of this bill links Barangay Mamplasan and Barangay Ganado to the main road of Biñan and Sta. Rosa.

Santa Rosa City is the gateway to the south. Hence, it has become the choice of families in setting up homes and of business establishments in putting up factories and offices. Barangay Mamplasan houses several factories from branded shoes to motor parts, not to mention, the Brent International School and several high-end subdivisions. With these commercial and industrial developments, it is but proper to improve the roads in the province to meet the growing demands of development.

This bill aims to convert the said provincial road into a national road in order to have a bigger budget for its repair and maintenance. In so doing, the travel time will be easier and faster and socio-economic activities and commercial transactions will be stimulated. It will also promote travel to the Province of Laguna of visitors, tourists and investors alike.

In view of the foregoing, early passage of this bill is earnestly sought.
