This bill seeks to amend Republic Act No. 8942, otherwise known as the "National Museum Act of 1998."

The National Museum is the custodian of the nation's artistic and cultural heritage. It provides a venue to instill cultural consciousness and a sense of nationalism among Filipinos through its collection and activities covering science, education and culture.

This bill aims to qualify the use of the museum's income from the proceeds of the sales of reproductions, cultural items, publications, creation, restoration, conservation, identification, earnings from planetarium programs, entrance fees and other auxiliary services to augment its operational requirements.

This bill has been filed by Honorable Ruffy B. Biazon and other co-authors but was never enacted into law. Hence, this bill.

In view of the foregoing, approval of this bill is earnestly recommended.
