House Bill No. 822

Introduced by HON. RADEN C. SAKALURAN

EXPLANATORY NOTE

Owing to the scarcity of funds in the province coffers, the maintenance of the provincial road connecting the Municipalities of Datu Paglas in Maguindanao, Columbio and Lutayan in Sultan Kudarat has not been regularly undertaken which made the road uneven and even impassable during rainy days.

This road is a vital artery that connects various barangays in the province. Thus there is a need to make this road passable and in good condition at all times in order to enable our constituents to bring their produce to the nearest market. Through this undertaking, the national government will be able to accelerate the promotion of economic growth as well as stable peace and order situation in the locality.

In as much as the local government could no longer improve or maintain adequately the aforementioned subject road, there is a need to convert the provincial road connection the Municipalities of Datu Paglas in Maguindanao, Columbio and Lutayan in the Province of Sultan Kudarat into a national road to implement the badly needed repair.

In view of the foregoing, the passage of the bill is earnestly sought.
