House Bill No. 851

Introduced by Honorable Sergio A. F. Apostol

EXPLANATORY NOTE

This bill seeks to separate Carigara National High School - Jugaban Annex from Carigara National High School main campus and converting it into an independent national high school to be known as Jugaban National High School.

The constitutional provisions which mandate the state to make education accessible to all and to provide a system of free secondary education find fulfillment in this bill.

It is the clamor of the people of Barangay Jugaban that a national high school be established in their barangay. Moreover, establishing a national high school will benefit not only the students of Barangay Jugaban but also other adjacent barangays.

The separation and conversion therefore of the said national high school will respond to the needs of the rural people in the service area and the school in return will be in a position to give better educational services because its existence will be supported by the national government.

In view of the foregoing, the passage of this bill is earnestly sought.
