

Republic of the Philippines
HOUSE OF REPRESENTATIVES

SIXTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 895

Introduced by Rep. Winston "Winnie" Castelo

EXPLANATORY NOTE

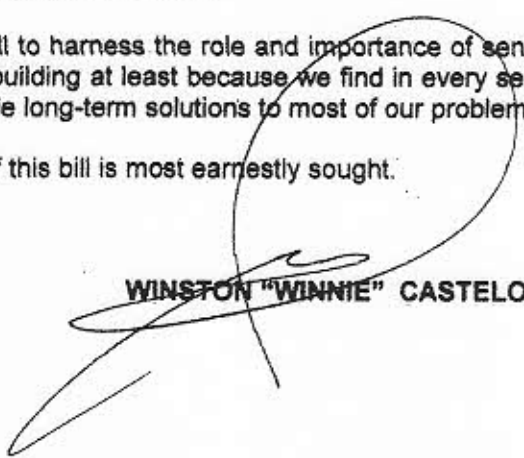

The role of every senior citizen in the overall affairs of the Sangguniang Bayan cannot be underestimated.

The Constitution holds true that sovereignty resides in the people and all government authority emanates from them. It follows from this declaration that the senior citizens as an important segment of the population do possess this empowerment and more so entitlement to share their wisdom, judgment, and appreciation to the multifarious concerns of the sangguniang bayan and the very community of which they form part.

This humble measure is committed to the view that in nearly all the state policies as enshrined in the Constitution, senior citizens probably enjoy a higher and better understanding of self-determination, social order, promotion of social justice, dignity of the human person, sanctity of family life, role of youth, right to health of the people, education, development, public service and the like.

It is the intention of this bill to harness the role and importance of senior citizens in the overall objective of nation building at least because we find in every senior citizen that rare gift of wisdom that provide long-term solutions to most of our problems.

The immediate passage of this bill is most earnestly sought.
