

REPUBLIC OF THE PHILIPPINES
HOUSE OF REPRESENTATIVES
Quezon City

SIXTEENTH CONGRESS
First Regular Session

House Bill No. 947

Introduced by **MAGDALO Party List Representatives** **Francisco Ashley L. Acedillo**
and **Gary C. Alejano**

Explanatory Note

Presidential Decree No. 979 states that it is the policy of the state to prevent and control the pollution of seas caused by the dropping of wastes and other matter which create hazards to human health, harm living resources and marine life, damage amenities, or interfere with the legitimate uses of the sea within the territorial jurisdiction of the Philippines.

It is only just and imperative to provide stiffer civil and criminal penalties against polluters of our marine environment considering our dependence on the sea and other bodies of water for our transportation, livelihood and other related industries.

This bill simply seeks to increase the penalties being imposed and provided for under the present law to a fine of not less than Five Million Pesos (P5,000,000.00) or imprisonment of not less than 8 years and 1 day nor more than 12 years, or both such fine and imprisonment.

The immediate passage of this bill is earnestly recommended.
