

REPUBLIC OF THE PHILIPPINES
HOUSE OF REPRESENTATIVES
Quezon City

SIXTEENTH CONGRESS
First Regular Session

House Bill No. 955

Introduced by **MAGDALO Party List Representatives Gary C. Alejano**
and Francisco Ashley L. Acedillo

EXPLANATORY NOTE

One of the most important indicators of development is the survival of children beyond the years that they are most likely to succumb to disease and illness. Proper interventions introduced by the government, if implemented well, may reduce a large fraction of childhood deaths.

The Philippines has achieved modest gains in reducing infant mortality. In 2005, it was recorded that 25 deaths occurred per 1,000 live births in the country. Currently, it was reduced to 21.45 per 1,000 live births.¹ Although the country was able to reduce infant mortality, it was able to do so at a very slow pace.

This bill seeks to rapidly decrease the incidence of infant mortality in the country by requiring DOH, the local government, state universities and colleges, and civil society to work together in determining certain criteria in fighting infant mortality.

In view of the foregoing, immediate approval of this measure is earnestly sought.

GARY C. ALEJANO

FRANCISCO ASHLEY L. ACEDILLO

REPUBLIC OF THE PHILIPPINES
HOUSE OF REPRESENTATIVES
Quezon City

SIXTEENTH CONGRESS
First Regular Session
955
House Bill No. _____

Introduced by MAGDALO Party List Representatives Gary C. Alejano
and Francisco Ashley L. Acedillo

AN ACT
TO ESTABLISH AN INFANT MORTALITY PROGRAM TO REDUCE THE
RATE OF INFANT MORTALITY IN THE COUNTRY PROVIDING FUNDS
THEREFOR AND FOR OTHER PURPOSES

*Be it enacted by the Senate and the House of Representatives of the Philippines in
Congress assembled.*

1 **Section 1. *Short Title.*** - This Act shall be known as the “*Infant Mortality*
2 *Initiative Act of 2013.*”

3
4 **Sec. 2. *Declaration of Policy.*** - It is the policy of the State to protect and promote
5 the right of health of the people, including the rights of children to survival, and to
6 develop healthy and fully as individuals.

7
8 **Sec. 3. *Definition of Terms.*** – As used in this section, the term –

- 9 (1) “Coalition” means a national or local health coalition or consortium;
10 (2) “Department” means the Department of Health;
11 (3) “FIMR” means a fetal and infant mortality review committee;
12 (4) “Infant mortality” means the death of a live-born infant within 364 days
13 after the infant’s birth;
14 (5) “Infant mortality rate” means the number of infant deaths per 1,000 annual
15 live births.

16
17 **Sec. 4. *Objectives of this Act.*** – The objectives of this Act include:

- 18 (1) Determining the significant social, economic, cultural, safety, and health
19 system factors that exist in communities all over the country related to
20 infant mortality through a practice collaborative approach using perinatal;

- (2) Developing a series of interventions and policies that address these factors to improve the service systems and community resources;
- (3) Participating in the implementation of community-based interventions and policies that address problems in infant mortality rates;
- (4) Assessing the progress of interventions.

Sec. 5. *Administration of the Infant Mortality Initiative.* – The Infant Mortality Initiative shall be administered through a collaboration among the Department of Health, which shall act as the lead agency in implementing this Act, the Dept. of Interior and Local Government, Local Government Units and their respective local health coalitions, and public universities or colleges having expertise in public health. A local community shall develop an interdisciplinary team to serve as part of a local-wide practice collaborative. Both perinatal periods of risk and fetal infant mortality reviews may be used. A case review shall be conducted by each participating coalition using professional in-house staff or through contracts with an outside professional. Public universities or colleges having expertise in public health shall provide technical assistance in developing a standard research methodology based on the fetal and infant mortality review method. Public universities or colleges having expertise in public health shall assist each participating coalition in determining the selection of comparison groups, identifying data collection and housing issues, and presenting findings and recommendations. A single methodology for the reviews conducted through the initiative shall be used by each participating coalition. The department shall distribute funding to each coalition that participates in the initiative through annual grants that are subject to specific appropriations by the Legislature.

Sec. 6. *Functions of the Infant Mortality Initiative.* – Each participating coalition shall:

- (1) Develop an interdisciplinary team to oversee the process in its local Community.
- (2) Use perinatal periods of risk methodology when appropriate to examine infant deaths in its community.
- (3) Use a modified FIMR approach to examine infant deaths in its community by:
 - (a) Creating a case review FIMR team that may include obstetricians, neonatologists, perinatologists, pathologists, registered nurses, social

1 workers, hospital and clinic administrators, social service agencies,
2 researchers, citizens and consumers, and other experts considered
3 necessary to conduct a standardized review of infant mortality.

4 (b) Hiring or contracting with professional staff that may include licensed
5 nurses and social workers to abstract and present individual case reviews
6 that omit identifying information regarding infant deaths compared to
7 live births to the case review team.

8 (c) Developing abstracts of sample infant mortalities and comparative live
9 births that omit identifying information and that identify social,
10 economic, cultural, safety, and health system factors that are associated
11 with infant mortality rates in each community. The number of abstracted
12 cases that must be conducted by each participating coalition shall be
13 determined by a standard research methodology developed in
14 conjunction with a public university or college having expertise in
15 public health.

16 (d) Presenting abstracts that omit identifying information to its case review
17 team at least quarterly for their review and discussion.

18 (4) Develop findings and recommendations for interventions and policy
19 changes to reduce racial disparities in infant mortality.
20

21 **Sec. 7. Grant Awards.** – The department shall award annual grants, subject to
22 specific appropriations by the Legislature. The department shall award at least one grant
23 to a coalition representing urban communities and at least one grant to a coalition
24 representing rural communities. Grant awards shall be given to those coalitions
25 representing communities with the least infant mortality rates.
26

27 **Sec. 8. Evaluation and Reports.** - The department shall conduct an annual
28 evaluation of the implementation of the initiative describing which areas are participating
29 in the initiative, the number of reviews conducted by each participating coalition, grant
30 balances, and recommendations for modifying the initiative. All participating coalitions
31 shall produce a report on their collective findings and recommendations by January 1,
32 2010, to the President of the Senate, the Speaker of the House of Representatives, and the
33 Secretary of Health.
34

1 **Sec. 9. Immunity.** – Each participating coalition, its case review team members,
2 and professional staff are immune from liability pursuant to this Act.

3
4 **Sec. 10. Implementing Rules.** - The Department of Health shall develop the
5 implementing rules and regulations necessary to effectively implement the provisions of
6 this Act, in collaboration with other concerned agencies of the government, thirty (30)
7 days after the effectivity of this Act.

8
9 **Sec. 11. Authorization of Appropriation.** – For the purposes of this Act, the sum
10 of Twenty Million Pesos (P20,000,000) for the current fiscal year shall be allotted to the
11 Department of Health for the proper carrying out of this Act, and such other sums as may
12 be necessary for each succeeding fiscal year.

13
14 **Sec. 12. Separability Clause.** - If any provision of this Act is declared
15 unconstitutional or invalid, the remainder thereof not affected thereby shall continue to be
16 in full force and effect.

17
18 **Sec. 13. Repealing Clause.** - All laws, decrees, orders, rules and regulations or
19 other issuance or parts thereof inconsistent with the provision of this Act are hereby
20 repealed, amended or modified accordingly.

21
22 **Sec. 14. Effectivity.** - This Act shall take effect fifteen (15) days after its
23 publication in at least two (2) newspapers of general circulation.

Approved,
