

REPUBLIC OF THE PHILIPPINES  
HOUSE OF REPRESENTATIVES

SIXTEENTH CONGRESS  
First Regular Session

House Bill No. 964

---

Introduced by **MAGDALO Party List Representatives Gary C. Alejano**  
and **Francisco Ashley L. Acedillo**

---

**EXPLANATORY NOTE**

There can be no dispute that Filipino World War Veterans who fought for our country and defended the nation against foreign aggressors deserved to be honored, respected and appreciated.

However, now in the twilight of their years, many of them still receive very small pensions and very little benefits and medical assistance.

This bill seeks to increase the present benefits of our Filipino World War Veterans by increasing their monthly pension and at the same time providing them with medical assistance.

It is hoped that by passing this measure, the increase in pension and benefits, small as they may be, can help show our compassion and appreciation for our beloved War Veterans and help ameliorate their plight.

The approval of the proposed bill is, therefore, imperative.
