

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

SIXTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. **1025**

Introduced by Hon. Jerry P. Treñas

EXPLANATORY NOTE

This bill seeks to convert **QUEZON STREET** in Iloilo City, presently classified as a local city road, into a national road. It was originally filed as House Bill 5355 in the 15th Congress. It was passed on third reading by the House of Representatives and was approved by the Senate Committee on Public Works in the previous Congress. However, the Senate was not able to schedule the bill for 2nd reading prior to the closure of the 15th Congress.

QUEZON STREET spans a total length of 1,019 meters, with a width of 13 meters. It is located at the City Proper District of Iloilo City. The road connects to two main roads: General Luna Street and Delgado Street, which leads towards two Iloilo City universities, SM Delgado and the main business district of the City Proper.

Considering the road's vital importance to the commuting public as a key link to the commercial and educational centers in Iloilo City, its conversion to a national road is a must in order to ensure the maintenance of the street.

In view of the foregoing, I highly recommend the approval of this bill.
