

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

SIXTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 1026

Introduced by Hon. Jerry P. Treñas

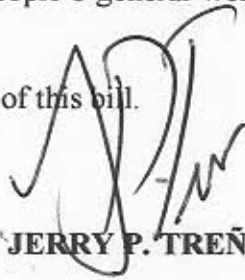

EXPLANATORY NOTE

This bill seeks to convert **VALERIA STREET** in Iloilo City, presently classified as a local city road, into a national road. It was originally filed as House Bill 5353 in the 15th Congress. It was passed on third reading by the House of Representatives and was approved by the Senate Committee on Public Works in the previous Congress. However, the Senate was not able to schedule the bill for 2nd reading prior to the closure of the 15th Congress.

VALERIA STREET spans a total length of 1,015 meters, with a width of 12 meters. It is located at the City Proper District of Iloilo City. The road connects to two main roads: General Luna Street and Delgado Street, which leads towards two Iloilo City universities, SM Delgado and the main business district of the City Proper.

The conversion of **VALERIA STREET** into a national road is necessary in order to ensure the improvement and maintenance of this pivotal Iloilo City road. The street is a major artery that allows the people of Iloilo City to access vital institutions and commercial areas in the city. Hence, the street's economic value and importance to the people's general welfare cannot be understated.

In view of the foregoing, I highly recommend the approval of this bill.
