

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

SIXTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 1053

Introduced by HON. FELIX WILLIAM B. FUENTEBELLA

EXPLANATORY NOTE

The purpose of education is to provide an individual with knowledge, skills, competence and desirable qualities of behavior to render him fit for the duties of life.

Education is imperative that it now has been enshrined in the Constitution mandating the State not only to make education accessible to all but to uphold the right of all citizens to quality education. In pursuance of this explicit constitutional mandate, Congress passed Republic Act No. 6655 otherwise known as the Free Secondary Education Act.

The bill seeks to convert the San Ramon Provincial High School in barangay San Ramon, Tinambac, Camarines Sur into a national High School to be known as the San Ramon National High School with the desire of promoting quality education as envisioned by the Constitution. The Municipality of Goa does not have sufficient funds to support the needs of the school and its increasing number of students, hence, the school and its students are currently suffering from lack of facilities, materials and qualified faculty that are fundamental in promoting quality education. There is an urgent need, therefore, to pass the burden to the national government if only to pursue the constitutional mandate of promoting the right of citizens to quality education.

In view of the foregoing reasons, the approval of this bill is earnestly sought.
