

Republic of the Philippines

Sixteenth Congress

HOUSE BILL NO. 1056

Introduced by Honorable Neptali M. Gonzales II

EXPLANATORY NOTE

Section 6, Article X of the 1987 Philippine Constitution provides that:

"Local government units shall have a just share, as determined by law, in the national taxes which shall be automatically released to them."

This proposed measure mandates that any person, natural or juridical engaged in the utilization and development of the national wealth should remit forty percent (40%) of the gross collection derived by the national government from the national wealth taxes directly to the host local government units and the remaining sixty percent (60%) to the national government.

This bill will allow the host local government unit to directly receive its just share from the national wealth taxes, thereby improving the delivery of basic services to the public.

In view of the foregoing, immediate approval of this bill is earnestly sought.
