HOUSE BILL NO. **1121**

Introduced by: **HONORABLE MYLENE J. GARCIA-ALBANO**

EXPLANATORY NOTE

This bill seeks to convert the barangay road starting from Barangay Buhangin in Davao City up to Barangay Bunawan Junction of the Davao-Agusan Road into a national road, passing through the northwestern barangays of Cabantian, Indangan, Acacia and Mandug.

Roads are beneficial to the livelihood of the people in the rural areas because they help transport farm produce to the markets. They are convenient links between the barangay and the poblacion, provide accessibility to the town proper where hospitals, law enforcement and government agencies are located.

The said road, now fully concreted through city and congressional funds, is already being utilized as an alternate road to the Davao-Agusan National Road. As such, it serves as an access road for those traveling between Davao City and Davao del Norte. The local leadership is soliciting for national assistance since local funds are insufficient for the maintenance of the road.

In view hereof, the approval of this bill is earnestly requested.
