

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

SIXTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 1205

Introduced by HONORABLE MARCELINO "MARCY" R. TEODORO

EXPLANATORY NOTE

Road safety is everyone's concern. With the people's growing dependence on automotive technologies to cope with the demands of modern living, coupled with the growingly complex systems of roads and highways in the country, both the government and citizens should work in unison to ensure traffic (both vehicular and pedestrian) regulations are strictly implemented and observed.

Statistics have shown that driving under the influence of intoxicating drinks and illegal drugs impairs a person's driving skills. Hence, Section 53 of Republic Act No. 4136, also known as the "Land Transportation and Traffic Code", addresses this problem and prohibits driving while under the influence of liquor or narcotic drug.

The existence of the aforequoted law, notwithstanding, more accidents caused by abuse of alcohol and illegal drugs are being reported every day. It is very evident that the penalties as provided in the law is inadequate and inconsequential compared to the higher risk posed by someone driving or operating a common carrier under the influence of alcohol or prohibited drugs. More than putting their lives at risks, these drivers and operators endanger the lives of other motorists, as well as, those of their passengers.

Indeed, the Constitution, Article II, Section 5 provides that:

"The maintenance of peace and order, the protection of life and liberty, and property, and promotion of the general welfare are essential for the enjoyment by all the people of the blessings of democracy."

In line with the abovementioned principle, this bill seeks to minimize, if not completely deter the driving or operation of common carriers under the influence of alcohol or prohibited drugs by imposing higher penalties thereto.

In light of the foregoing, immediate passage of this bill is earnestly sought.
