HOUSE BILL NO. 1208

INTRODUCED BY: HONORABLE MARCELINO "MARCY" R. TEODORO

EXPLANATORY NOTE

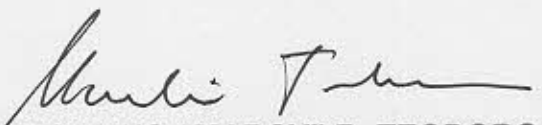

This bill seeks the establishment of a Congressional district skills training center for out-of-school-youth in the city of Marikina.

Section XIII, Article 2 of the 1987 Constitution provides that the State recognizes the vital role of the youth in nation-building and shall promote and protect their physical, moral, intellectual and social-well-being. It shall also inculcate in the youth patriotism and nationalism and encourage their involvement in public and civil affairs.

This policy acknowledged the vital role of the youth in nation-building and its acceptance of their involvement in matters affecting the national welfare. This recognition of the potentials of youth and their new social consciousness to get involved in affairs of the nation, impel the State to promote the physical, intellectual and social well-being of the youth. This can be effected by having a nation wide campaign for their physical development as well as their intellectual upbringing.

The setting up of the Center will spur economic development as well as help solve the problem of unemployment in the district. Enhancing capabilities of the youth will make them more productive towards nation-building.

In light of the foregoing, passage of this bill is urgently sought.
