SIXTEENTH CONGRESS
First Regular Session

HOUSE BILL No. 1232

Introduced by **HON. JORGE T. ALMONTE**

EXPLANATORY NOTE

This bill seeks to convert the provincial road from Barangay Landing – Lusot – Magsaysay – del Pilar in the Municipality Baliangao, Province of Misamis Occidental into a National Secondary Road.

The sorry state of this important road artery is mainly attributable to the inadequacy of funds for the upgrading, rehabilitation and year-round maintenance by the provincial government. This situation therefore made the transportation of agricultural products and other commodities in the Province extremely difficult and expensive.

There is an urgent need therefore to convert the said provincial road into a national secondary road to continuously make it as a vital route to be properly maintained by the national government for the great benefit of the people, particularly the poor residents in these remote areas.

The foregoing reasons warrant the approval of this bill.
