HOUSE BILL NO. 1574

Introduced by **Hon. Frederick F. Abueg**

EXPLANATORY NOTE

This bill seeks to convert the Gov. Alfredo Abueg Sr. National Technology and Vocational Memorial High School – Aribungos Extension located in Barangay Aribungos, Municipality of Brooke's Point, Province of Palawan, into a separate and distinct national high school from the Gov. Alfredo Abueg Sr. National Technology and Vocational Memorial High School, to be known as INIL U. TAHA MEMORIAL NATIONAL HIGH SCHOOL.

The Gov. Alfredo Abueg Sr. National Technology and Vocational Memorial High School – Aribungos Extension was established on June 15, 2010. It obtains its funding for operations from its mother school, the Gov. Alfredo Abueg Sr. National Technology and Vocational Memorial High School. The continuous increase in the number of enrollees of Aribungos Extension shows that students recognize the tremendous value of education in shaping the future and alleviating poverty. Moreover, in order for the school to function effectively and efficiently, a regular source of funds every school year must be sufficient. It can only be realized by making it a distinct institution and funding therefor included in the annual General Appropriations Act. Furthermore, the separation and conversion into a national high school will improve the administration of both Aribungos Extension and Gov. Alfredo Abueg Sr. National Technology and Vocational Memorial High School in terms of addressing the needs of its students.

The Aribungos Extension High School was issued permit to operate by the Regional Director of Region IV-B, Department of Education, pursuant to the request of local government officials of Brooke's Point, Palawan, after compliance with necessary requirements therefor.

This bill is recommended for approval, consistent with Article XIV Section One of the 1987 Constitution which mandates that, "the State shall protect and promote the right of all citizens to quality education at all levels, and shall take appropriate steps to make such education accessible to all."

In accordance with the State's policy of providing quality education for its citizens, the approval of this bill is earnestly recommended.
