HOUSE BILL NO. 1584

Introduced by **REP. EVELINA G. ESCUDERO**

EXPLANATORY NOTE

Commonwealth Act 613, enacted under the American regime in 1940, is the current governing law of the Bureau of Immigration. Over the years, various amendments have been introduced in the said law. However, with globalization and proliferation of international crimes, there is a need for a more capable and practicable immigration system.

This bill seeks to apply and administer Philippine immigration policies, rules and regulations in the promotion of domestic and international interests of the Philippines, in recognition of:

- (a) The admission of foreign nationals for the purpose of enhancing capital investments, trade and commerce, cultural exchanges and other forms of friendly relations and cooperation;
- (b) The need for increased technological and scientific development;
- (c) Promotion of conditions for social welfare and economic security of the people;
- (d) Compliance with obligations and standards set by international law in the admission or exclusion of foreign nationals;
- (e) Promoting international order and justice by denying the use of Philippine territory to persons who are engaged or likely to engage in terrorism, human smuggling and trafficking, criminal and other nefarious activities;
- (f) Modernization of structures and mechanisms necessary for the administration of immigration laws in keeping with the changing demands of the country's role in the global community; and
- (g) Professionalization of the immigration service by instituting a rigid system of screening and selection of immigration officials and employees and promoting their development.

Hence, approval of this bill is earnestly sought.
