HOUSE BILL NO. 1667

Introduced by Honorable Erico Aristotle C. Aumentado

EXPLANATORY NOTE

This bill seeks to convert the vital San Isidro – Catigbian via Caimbang Road, San Isidro side, into a national road as a support infrastructure to a strategic tourism destination envisioned by the Aquino administration.

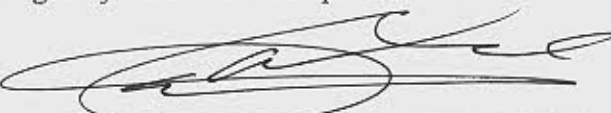

The road leads to the historic town of Danao, Bohol where the multi-million pesos earning tourism destination – Extreme Adventure Tourism Danao (E.A.T.) Park – is located.

The 6.3616-kilometer road is partly asphalted, concreted and well maintained gravel soil stabbed artery. It is the shortest route to Danao for tourist and visitors coming from Cebu, Dumaguete, Siquijor and Dipolog through the port of Tagbilaran and from Manila through the Tagbilaran Airport. Thus, it is a major artery to Danao whose E.A.T. Danao Park earned for the 4th class town about P32 million in 2010.

The Australian Agency for International Development (AUSAID) and the provincial government of Bohol jointly funded the improvement of San Isidro – Catigbian via Caimbang Road in order to qualify it for conversion into a national road under the AUSAID's provincial maintenance facility.

The adventure park will soon put up a 1.5 kilometer zipline, reportedly the longest in Asia, to be funded by the LGU and the Priority Development Assistance Fund of the author.

Approval of this bill is earnestly urged by the House of Representatives.
