SIXTEENTH CONGRESS

First Regular Session

House Bill No. 1717

Introduced by Representative Guillermo A. Romarate, Jr.

EXPLANATORY NOTE

Barangay Talisay of Surigao City in the Province of Surigao del Norte is an island barangay separated by a channel of battering waves and the deep blue water of the Surigao strait. High school students of this isolated barangay converged in Surigao City National High School-Talisay Annex with full enthusiasm to finish their secondary education. Year by year, the enrollees' number increases and the Surigao City National High School-Talisay Annex had difficulty in serving these young boys and girls with quality education due to its limited funding from the City government of Surigao.

So as to give the students in this area easy access to secondary education, which is their basic right, and to include them among the educated youth who will be the hope of our country, the conversion of Surigao City National High School-Talisay Annex into a National High School is imperative.

Approval of this Bill, is strongly recommended.
