HOUSE BILL NO. 1738

Introduced by Honorable Damian G. Mercado

EXPLANATORY NOTE

Barangay Poblacion in Libagon, Southern Leyte does not have a public high school even up to the present. The absence of an educational institution has limited the educational and technical knowhow of its residents and has become a drag in its development.

The creation of technical vocational school in the aforesaid barangay could hopefully improve the educational and technical capabilities of its residents which in the long term could also improve their economy.

In view of the foregoing, passage of this bill is hereby being earnestly sought
