HOUSE BILL NO. 1751

Introduced by Honorable Damian G. Mercado

EXPLANATORY NOTE

This bill seeks to convert the barangay road starting from Barangay Asuncion in Maasin City to Barangay Paku, Bontoc, Province of Southern Leyte into a national road.

Barangays Asuncion and Paku and the rest of the barangays in Southern Leyte are farming communities. Roads are beneficial to the livelihood of the people in these areas because they are the means by which farm produce is transported to the markets. They are convenient links between fifteen (15) municipalities of Southern Leyte stretching towards the Municipality of Malitbog. Approximately one (1) hour travel time is saved by not passing the coastal road in going to Maasin City.

The conversion of the Asuncion-Paku road into a national road will greatly stimulate and promote economic development of the various barangays traversed by this road network. This will likewise increase commercial activity as a consequence, spur business and financial movements in the municipalities bounded by this road network. New investments will be encouraged thus promoting economic growth and progress in the area.

In view thereof, approval of this bill is earnestly requested.
