House Bill No. **1763**

Introduced by **Hon. Joseph Gilbert F. Violago**

EXPLANATORY NOTE

Consistent with our government's policy of providing adequate and sufficient health care and medical services to our people, I am proposing the creation of a district hospital in San Jose City, Nueva Ecija.

This hospital will guarantee the accessibility of critical and essential medical services to the people of Nueva Ecija and most especially to poor and marginalized families. This is in consonance to our sworn duty of giving life to the Constitutional mandate of making essential goods, specifically quality health and social services, affordable and accessible to all people.

May I, therefore, urge all my colleagues to support the passage of this bill.
