

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

SIXTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. **1795**

Introduced by **HONORABLE LANI MERCADO-REVILLA**

EXPLANATORY NOTE

The Constitution, Article II, Section 17 states:

“SECTION 17. The State shall give priority to education, science and technology, arts, culture, and sports to foster patriotism and nationalism, accelerate social progress, and promote total human liberation and development.”

Further, Article 14, Section 1 mandates:

“Sec. 1. The State shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all.”

Moreover, the same Article, Section 2, paragraphs (1) and (2) provides:

“Sec. 2. The State shall:

- (1) Establish, maintain, and support a complete, adequate, and integrated system of education relevant to the needs of the people and society;
- (2) Establish and maintain a system of free public education in the elementary and high school levels. x x x”

It is the obligation of the State to provide a complete, adequate and integrated quality education to the youth because of their vital role in nation-building. However, in the article of Secretary General Romulo A. Virola of the National Statistical Coordination Board entitled, *Statistics on Philippine Education: Good News and Bad News*, Dr. Virola reported that the Philippines only spends 3.3% of its Gross Domestic Product on public educational institutions for all levels of education, which is lower than 7.4% for Malaysia, 4.0% for Thailand and all WEI countries and 5.2% average for OECD countries.

The Philippines has 5,575,945 high school students and 146,255 teachers (NSCB, 2010-2012 Study). In the City of Bacoor, the teacher-student ratio is now 1:120 – far from the goal of the Department of Education to limit the ratio to 1:50 (NCSB, August 1, 2007). Bacoor has a population of 520,216 (based on the 2010 Census of Population conducted by the National Statistics Office). In Barangay San Nicolas III, the population is 33,022. Recognizing the need to provide quality education in Barangay Greenvalley San Nicolas 3, City of Bacoor, the urgent passage of this bill is earnestly sought.
