HOUSE BILL NO. 1806

Introduced by HONORABLE ANDRES D. SALVACION JR.

EXPLANATORY NOTE

This bill provides for the conversion of the Campokpok – Butason II – Butason I – Gibacungan Provincial Road located in the Municipality of Tabango, Province of Leyte from a provincial road into a national road to be known as the Campokpok – Butason II – Butason I – Gibacungan National Thoroughfare.

The maintenance and repair of barangay and municipal roads are within the jurisdiction of the local government units. However, taking into account the meager resources of the Municipality of Tabango, it can hardly support the maintenance of the aforementioned road thus hampering the growth of trade and commerce within the Third District of Leyte.

The provincial roads are constantly battered by the monsoon rains, damaging the former and making it inaccessible to my constituents. In fact the residents in the area have been grumbling that it is because of this that they have been deprived of their livelihood as well as the socio-economic development due to their interior barangays.

The conversion of the said road network into a national highway will surely spur economic growth and development in the area as it will ensure funding support from the national government for its regular repair and maintenance.

In view of the foregoing, the approval of this bill is strongly recommended.

ANDRES D. SALVACION, JR.
