HOUSE BILL NO. 1807

Introduced by **HONORABLE ANDRES D. SALVACION JR.**

EXPLANATORY NOTE

This bill provides for the conversion of the Calubian-Jubay Municipal Road Network located in the Municipality of Calubian, Province of Leyte into a national road to be known as the Calubian-Jubay National Road.

The maintenance and repair of barangay and municipal roads are within the jurisdiction of the local government units. Taking into account, the meager income of the Municipality of Calubian, it can hardly support the maintenance of the aforementioned road which hampers the growth of trade and commerce within the Third District of Leyte.

The conversion of the said road network into a national road will surely spur economic growth and development in the area as it will ensure funding support from the national government for its regular repair and maintenance.

In view of the foregoing, the approval of this bill is strongly recommended.
