Sixteenth Congress
First Regular Session

HOUSE BILL NO. 1808

Introduced by HONORABLE ANDRES D. SALVACION JR.

EXPLANATORY NOTE

Our school system should continually provide to each of our citizens a quality education that is accessible to all. Thus, the State should be vigilant with regard to the restructuring and realignment of our schools that would cater to the best interests of the community and at the same time ensuring a progressive reorganization of the school system that would attune to the present needs.

Leyte National High School, its main campus situated in Barangay Poblacion, Municipality of Leyte, Province of Leyte has an annex found in Barangay Consuegra appropriately called the Leyte National High School Consuegra Annex which has a complete secondary school program from first to fourth year. It appears that the constant increase of enrollees at the Consuegra Annex through the years has provided a legitimate basis for the Annex to seek autonomy or a separate identity from the main center so as to provide it not only with its own funds but the authority to formulate its own policies to suit the branch's necessities.

Thus, it is the purpose of this bill to detach the Leyte National High School Consuegra Annex from Leyte National High School, found in Barangay Poblacion, Leyte, Leyte, making it into a separate institution to be called the Consuegra National High School, autonomous in every aspect.

In view of the foregoing, approval of this bill is earnestly requested.

ANDRES D. SALVACION, JR.
