Introduced by Honorable Benhur L. Salimbangon

EXPLANATORY NOTE

This bill seeks to create the TESDA Skills and Training and Accreditation Center in the 4th District of Cebu located at Barangay Curva, municipality of Medellin to be known as Martin Salimbangon TESDA Training Center.

It is the declared policy of the State to provide relevant, accessible, high quality and efficient technical education and skills development in support of the development of high quality Filipino middle-level manpower responsive to and in accordance with Philippine development goals and priorities.

The accessibility of a training center to be located at the heart of the 4th district of Cebu will provide the out-of-school youths, unemployed and other constituents with the opportunity to develop themselves to be self-reliant and empower themselves with new knowledge and techniques geared towards making themselves productive, self-reliant and employable constituents. Likewise, the establishment of training centers will produce dynamic, well-trained and globally competitive skilled workers that meet the requirements of economic activities not only at the provincial but also at the national and international levels.

More importantly, the building for the training center has already been constructed and trainings have already commenced but currently overseen by the LGU, thus, the need to institutionalize the Martin Salimbangon TESDA Training Center.

In view thereof, the approval of this bill is earnestly sought.
