House Bill No. **1947**

Introduced by the Honorable Benhur L. Salimbangon

EXPLANATORY NOTE

This bill seeks for the construction of a fish port in Barangay Hagnaya, Municipality of San Remigio, Province of Cebu.

Barangay Hagnaya is a launching point for fishermen in this coastal area. Most of the residents in the area are dependent on the fish and marine products of their waters. The construction of a fish port will be significantly beneficial in providing opportunities for small scale fishers and fish processors in the improvement of their livelihood.

The establishment of a fish port will also help with the government's thrust to increase productivity and food security in the country. Thus the approval of this measure is strongly urged.
