SIXTEENTH CONGRESS

First Regular Session

House Bill No. **1956**

INTRODUCED BY: REPRESENTATIVE PRYDE HENRY A. TEVES

EXPLANATORY NOTE

Barangay Candugay, Siaton, Negros Oriental is a community mostly surrounded by agricultural and farm lands. Families commonly rely on the agricultural aspects of its surrounding villages to finance their daily needs. Consequently, we find it imperative to improve and develop the skills and awareness of the residents, especially the youth, by teaching agriculture, natural resources and land management through hands on experience and guidance. This will surely enrich the families and improve the economy of the entire community as well.

We firmly believe that the conversion of Candugay High School to Candugay Agricultural High School will best serve the concerns of school children and will be a decisive step in reaching out to the needs of young people for the advancement their future.

In view of the foregoing, the passage of this bill is earnestly sought.
