

Republic of the Philippines
HOUSE OF REPRESENTATIVES

16th Congress
First Regular Session

HOUSE BILL NO. **2011**

Introduced by HONORABLE FRANZ "CHICOY" E. ALVAREZ

EXPLANATORY NOTE

The local government unit of Taytay, Palawan with its meager resources has managed to open roads connection sitios and barangays of the municipality. For years the municipality has spent a considerable sum for the maintenance of the said roads.

Recent events have made Taytay a front liner in infrastructure development with the forthcoming construction of a pier in Sitio Sta. Cruz at Barangay Bantulan and the upgrading of Judge Cezar Lim Rodriguez Airport at Barangay Sandoval. Thus, it cannot be denied that this road network is a major support infrastructure for the viable operation of the pier and airport and their accessibility to the nearby municipalities.

In the course of recent developments which the municipal government of Taytay, Palawan had undertaken in pursuit of national government goal, it is imperative on the part of the municipality to seek the intercession of the national agencies concerned for the appropriate repair and maintenance of the said roads.

The allocation of government resources for the construction, improvement and maintenance of public works and infrastructure projects ensure economic stability and prosperity beneficial to the greatest number of constituency.

In view of the foregoing, approval of this bill is earnestly sought.
