

Republic of the Philippines

Quezon City, Metro Manila

Sixteenth Congress

First Regular Session

House Bill No. 2028

Introduced by **HON. ROMEO M. ACOP**

EXPLANATORY NOTE

This bill seeks to establish a District Office of the Land Transportation Office (LTO) in the City of Antipolo, Province of Rizal, to serve the needs of the motoring public of the city such as the registration of their motor vehicles, issuance of driver's licenses and other permits relative to land transportation. Antipolo City, being the capital and only city in the Province of Rizal and acknowledged as its center of economic activities, is naturally a gravitational point of motoring activities by the city and nearby municipalities' residents. Presently, only extension offices of the LTO in the municipalities of Binangonan and Cainta are existing and catering to the monitoring public of the whole province. It is therefore reasonable to anticipate that these existing extension offices of the LTO will soon be saddled with the problem of a growing number of motorists in the province requiring the agency's services, unless additional district offices are established.

Moreover, this measure is in consonance with the mandate of the government to ensure a more effective and efficient delivery of services to the people.

This bill has filed by this representation in the 15th Congress and was passed by the House of Representatives on Third Reading. However, due to lack of material time, the Senate failed to concur on the same.

For the above reasons, the immediate passage of this bill is earnestly sought.
