HOUSE BILL NO. 2065

INTRODUCED BY REPRESENTATIVE ROMMEL C. AMATONG

EXPLANATORY NOTE

This Bill seeks to established the National High School in Barangay Cabidianan, Municipality of Nabunturan, Compostela Valley Province to be known as Cabidianan National High School.

Every Filipino family envisions that each son or daughter has the opportunity to get high quality education that will make him or her whole person and thus be led to a productive, well-paying job or become successful entrepreneur. Success in our educational endeavour would be made possible if the foundational stages of the educational ladder, the pre-school, elementary and high school level, the basic component, be successfully completed.

One of the challenges facing the Philippines now is poverty. In past decades we tried so hard to overcome poverty, but it has been much slower. The key factor to this slow growth is education, "No country can be competitive without a well-educated citizenry".

Our neighbouring countries soared high in terms of development, because of their strong educational system. Thus one of the visions of our government is to provide better opportunities for the education of each and every Filipino people. One task is to reform our education and make the Filipino worker competent to world standards. Our children and our youth have so many dreams. We have to mainstream them so that they can catch up with the demands of the time as the time now moves so fast.

In view thereof, the approval of this bill is earnestly recommended.
