HOUSE BILL NO. **2078**

Introduced by REP. ANTHONY G. DEL ROSARIO

EXPLANATORY NOTE

"The State shall protect and promote the right of all citizens to quality education at all levels, and shall take appropriate steps to make such education accessible to all."

Such is the mandate enshrined in Section 1, Article XIV of the 1987 Philippine Constitution.

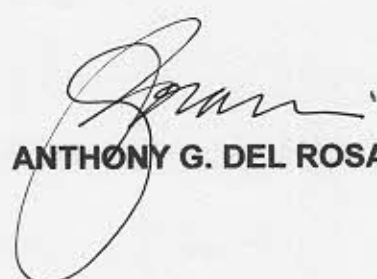

This bill seeks to separate Sawata National High School – Pinamuno Extension in Barangay Pinamuno, Municipality of San Isidro, Province of Davao del Norte, converting it into an independent national high school, to be known as Pinamuno National High School, for the primary purpose of realizing the aforementioned constitutional mandate.

Barangay Pinamuno has a population of more than two thousand people whose main livelihood is farming while some engage in buy and sell of goods.

Because of the distance of two other existing national high schools in the area, elementary school children from three feeder schools would find it difficult to avail of quality secondary education. They are left with no choice but to make use of the limited resources afforded by Sawata National High School – Pinamuno Extension.

Its separation and conversion into an independent national high school will ensure better funding and administration to cope up with the increasing number of students. It is seen as the National Government's expression of promoting quality education in the countryside.

Thus, approval of this bill is earnestly sought.
