HOUSE BILL NO. 2079

Introduced by REP. ANTHONY G. DEL ROSARIO

EXPLANATORY NOTE

"The State shall protect and promote the right of all citizens to quality education at all levels, and shall take appropriate steps to make such education accessible to all."

Such is the mandate enshrined in Section 1, Article XIV of the 1987 Philippine Constitution.

This bill seeks to separate Kapalong National High School – Capungagan Annex in Barangay Capungagan, Municipality of Kapalong, Province of Davao del Norte, converting it into an independent national high school, to be known as Capungagan National High School, for the primary purpose of realizing the aforementioned constitutional mandate.

Barangay Capungagan has a population of more than ten thousand people whose main livelihood is farming.

Because there are no existing high schools in vicinity, elementary school children from five feeder schools would find it difficult to avail of quality secondary education. They are left with no choice but to make use of the limited resources afforded by Kapalong National High School – Capungagan Annex.

Its separation and conversion into an independent national high school will ensure better funding and administration to cope up with the increasing number of students. It is seen as the National Government's expression of promoting quality education in the countryside.

Thus, approval of this bill is earnestly sought.
